CAREER SUMMARY

Greetings! I'm Saiful Islam — a passionate Electronics and Communication Engineer. With over one year of experience in WordPress web development, I have expanded my expertise in Programming, including C++, OOP, PHP, and Python. Throughout my academic journey, I gained in-depth knowledge in Electronics and Computer Networking, complemented by a project on "Real-Time Drainage Surveillance System Using IoT." As an ambivert, I value both collaboration and independent learning. I welcome opportunities for meaningful discussions, innovative collaborations, and knowledge sharing. Let's connect and explore new possibilities together.

PROFESSIONAL EXPERIENCE

[1 Jun 2020 – 31 Aug 2021]

Company Name: [Fara IT LTD](#)
